Dear Friend,

Court Appointed Special Advocates (CASA) of Passaic and Union Counties is a non-profit 501(c)3 organization that recruits, trains and supervises volunteers to serve as advocates who champion the best interests of children living in foster care in Passaic and Union Counties, New Jersey.

CASA Advocates make sure that hundreds of abused and neglected children living in foster care do not fall through the cracks of our child welfare system. CASAs are committed to securing all needed educational, medical, and emotional support services for each child and help to ensure that each child is on their way to a safe, nurturing, and permanent home.

On June 3, 2024, CASA of Passaic and Union Counties will host its 14th Annual Tricky Tray fundraising event at the Westmount Country Club in Woodland Park, NJ with an anticipated 500+ guests!

CASA relies solely on grant funding, corporate sponsorship, and individual giving to cover all operating costs. This Tricky Tray fundraiser is critical to the annual budget and the overall success of our mission.

Would you donate to this terrific Tricky Tray event? All donors are recognized with their business cards or other small advertising media displayed with their basket during the event, listed in the event's program (electronic) and all donors are featured on the CASA website. Donations received before May 26, 2024 will be listed in the event's program. Our Federal Tax ID number is 20-8456398.

With your gift, you will ensure our community's most vulnerable children are not forgotten. For more information, please call Pam Saunders at 973-832-4002 or Pam@passaiccountycasa.org.

Gratefully,

Erica Fischer-Kaslander
Executive Director
